

LRHS Dance Boosters Minutes
December 4, 2007

The December Dance Booster meeting began with a presentation from Catherine of Entrée Vous. **Entrée Vous** is a new meal preparation kitchen that will be opening in January 2008 on Creedmoor Rd. Dance Booster is exploring the possibility of having a fundraiser with Entrée Vous. Through this service you can order prepared meals and take them home to bake them, or you can visit Entrée Vous and prepare meals yourself to take home and freeze or bake. Catherine brought 3 entrees with her for us to taste. Dance Booster could choose the date for the fundraiser to run and a portion of the cost of anyone that identified themselves as being there for dance would be credited to the booster program. More information will be coming home at the beginning of the year.

News from Ms Hoban

Ms Hoban thanked everyone that made the Greensboro day of dance a huge success. She received wonderful feedback from everyone about the girls dance. She thanked Dave Marsico for arranging the transportation to Greensboro, as well as to Meredith.

The Pieces of Gold piece is complete and auditions were held December 5th. The POG performance will be held March 12th with rehearsal on March 11th.

All costumes have been ordered for the January Winter Recital.

Winterfest Assembly auditions will be held December 13th. The assembly will be held February 1st.

The Dance Showcase will be held December 14th at 7pm. This is a free event, donations are welcome. We may possibly hold a reception or Christmas Party afterwards

We discussed the possibility of having a preview night the night before the recital, Ms Hoban will talk with Ms Credle about this. Ms Hoban reminded us the administration is wanting us to have reserved seating at the next recital instead of general admission. Ms. Hoban will talk with Ms Credle about this to see if this request is flexible.

We are still trying to find a way to put on a Benefit Concert by the ensemble dancers. There are several organizations the girls have been discussing that they would like to help. With the busy schedule the girls have we would need to try to have a Benefit Concert in Mid Feb.

Treasure Update

Lori Noble had just received the Staff one payment for volunteers that worked in October. The check for November's hours should arrive around the middle of December.

The next NYC deposit of \$150 is due by December 10th.

Volunteer Update

Dave Marsico will be sending home another volunteer form with the students requesting help for the January recital. We will need volunteers to help with selling tickets during lunches the 3 days prior to the performance and the night of the performance, to help with picking up, assembling and selling flowers, manning the DVD table to take orders for the DVD. We will need people to donate small bottled waters and baked goods, we have 115 candy bars left over from the powder puff game booth that will be sold before the recital and during intermission. Ms. Hoban also mentioned she could use a few volunteers

backstage to help keep things orderly. It may be possible to reach out to clubs within our school where students need community service hours and get help that way.

Fundraising

Lori Noble thanks Esther and Laura Parker for holding the jewelry show fundraiser. Lori announced the staff one fundraising is coming to a close.

Lori reminded us to link our VIC cards to LRHS dance booster. Lori also reminded us we can continue shopping with century resources at www.centuryresources.com use customer number 18800 and the students will still receive a portion of all sells.

Lori passed around a Yankee Candle brochure, this is another fundraiser we are considering for spring.

The next booster meeting will be held January 15th.
